

Santiago Geologic Hazard Abatement District
Information on Special Session Board Meeting on Zoom

The Governor of the State of California issued Executive Order (EO) N-29-20, addressing the relaxation of teleconferencing rules for public agency meetings under both the Brown and Bagley-Keene Acts to help mitigate the effects of the COVID-19 pandemic.

For the Board of Director's Special Meeting, the Santiago Geologic Hazard Abatement District (GHAD) Boardmembers and staff will conduct this meeting telephonically or otherwise electronically. The GHAD will **not** make available any physical location from which members of the public may observe the meeting and offer public comment. Instead, members of the public may observe and address the meeting remotely. Below is information on how to do that. For the Special Session Board Meeting, the Boardmembers will open the Special Session Board Meeting, then convene into Closed Session, then return to the Special Meeting to close the Special Session Board Meeting. Only the Special Session Board Meeting will be open to the public with the provided Zoom Meeting information on the website and will be on while the Board is in Closed Session on a separate Zoom Meeting.
