STATE OF CALIFORNIA

COUNTY OF ORANGE

I, Bob Page, Registrar of Voters of the County of Orange, do hereby certify the following candidates for certain elective special district offices are qualified and eligible to be appointed in lieu of election by the County of Orange Board of Supervisors.

My certification is based upon the following facts:

Pursuant to Elections Code section 10515, if the number of persons who filed a Declaration of Candidacy for at large Director offices up for election for a special district does not exceed the number of Director offices up for election for that special district, the Registrar of Voters must certify the following facts to the Board of Supervisors as the supervising authority for the special district:

- Only two qualified candidates filed a Declaration of Candidacy for the three at-large Director offices up for election for the Santiago Geologic Hazard Abatement District (SGHAD).
- A petition with a sufficient number of valid voter signatures requesting that the general district election be held was not filed by the 83rd day prior to the date set for the election.

As mandated under Section 10515 of the Election Code, the Registrar of Voters requests that the Board of Supervisors appoint in lieu of election a qualified person to the remainder of a four-year term as Director of the Santiago Geologic Hazard Abatement District, ending at noon on December 4, 2026.
